

Information & Registration

Website: www.srlf.org / Email: secretariat@srlf.org

Phone: +33 (0)1 45 86 74 00 / Fax: +33 (0)1 45 86 74 44

Registration Fees

Doctor, member of FICS:	300,00 €
Doctor, member of Société de Néphrologie:	300,00 €
Doctor, member of NVIC:	300,00 €
Junior doctor, member of FICS:	100,00 €
DESC de Réanimation Médicale*	100,00 €
Nurse	100,00 €
Non member, Institution:	600,00 €
Non member,	
if registered at ISICEM Congress March 2015:	300,00 €

* Merci d'envoyer à secretariat@srlf.org un justificatif de votre inscription au "DESC de Réanimation Médicale"

Address

FICS / The House of Intensive Care
48, Avenue Claude Vellefaux – 75010 PARIS – FRANCE

Subway: Line 2 – Station "Colonel Fabien"
Line 11 – Station "Goncourt"

PIC 2015

JUNE 18-19th

*ACUTE RENAL FAILURE in the ICU:
from INJURY to RECOVERY*

WITH

Faculty list:

Pierre ASGAR (France)
Rinaldo BELLOMO (Australie)
Michael DARMON (France)
Jean-Luc DIEHL (France)
Jacques DURANTEAU (France)
Eric HOSTE (Belgium)
Olivier JOANNES-BOYAU (France)
Matthieu LEGRAND (France)
Nicolas LEROLLE (France)
Manu MALBRAIN (Belgium)
Ravindra L. MEHTA (USA)
Helena-Maria OUDEMANS-VAN STRAATEN (The Netherlands)
Jean-Jacques PARIENTI (France)
Didier PAYEN DE LA GARANDERIE (France)
Peter PICCKERS (The Netherlands)
Claudio RONCO (Italy)
Eric RONDEAU (France)
Marie SCHETZ (Belgium)
Christophe VINSONNEAU (France)
Julia WENDON (United Kingdom)

Registration on: www.srlf.org

ADDRESS:

The House of Intensive Care
48, avenue Claude Vellefaux - 75010 PARIS - FRANCE
Subway: Line 2 - station "Colonel Fabien" / Line 11 - station "Goncourt"

Paris International Conference on Intensive Care

Acute renal failure in the ICU: from injury to recovery

PIC 2015

The French Intensive Care Society

June 18-19th, 2015

Thursday June, 18th

Thursday June, 18th

09:00-09:30 – Welcome

Diagnosis and evaluation

- 09:30-09:50 Definitions and classifications
Ravindra L. MEHTA (USA)
- 09:50-10:10 Glomerular filtration evaluation in the ICU
Claudio RONCO (Italy)
- 10:10-10:30 Epidemiology of ARF in the ICU: are there any changes from 2000 to 2015?
Ravindra L. MEHTA (USA)

10:30-10:50 – Break

Old and new diagnosis tools

- 10:50-11:10 Renal biopsy: place in the ICU
Nicolas LEROLLE (France)
- 11:10-11:30 Evaluation of renal blood flow by renal Doppler
Jacques DURANTEAU (France)
- 11:30-12:00 How to use all this tools in clinical practice?
Eric HOSTE (Belgium)

12:00-14:00 – Lunch/Symposium

Old and new treatments

- 14:00-14:20 Use of diuretics
Michael DARMON (France)
- 14:20-14:40 Arterial pressure optimization
Pierre ASFAR (France)
- 14:40-15:00 Alkaline phosphatase: a possible treatment for sepsis-associated acute kidney injury in critically ill patients
Peter PICCKERS (The Netherlands)

15:00-15:20 – Break

Treatments

- 15:20-15:40 Renal replacement therapy: an overview
Rinaldo BELLOMO (Australia)
- 15:40-16:00 Positive fluid balance as an indication of RRT
Ravindra L. MEHTA (USA)
- 16:00-16:20 Intermittent dialysis for shocked patients
Christophe VINSONNEAU (France)
- 16:20-16:40 Importance of high cutoff membrane in sepsis
Rinaldo BELLOMO (Australia)
- 16:40-17:00 Vascular access sites for acute renal replacement in intensive care units
Jean-Jacques PARENTI (France)

Friday June, 19th

Friday June, 19th

08:15-08:30 – Welcome

ARF as a witness of...

- 08:30-08:50 Systemic disease
Eric RONDEAU (France)
- 08:50-09:10 Liver failure
Julia WENDON (United Kingdom)
- 09:10-09:30 Cardiac failure
Matthieu LEGRAND (France)
- 09:30-09:50 Abdominal problems
Manu MALBRAIN (Belgium)

09:50-10:00 – Break

RRT management

- 10:10-10:30 Optimal timing
Ravindra L. MEHTA (USA)
- 10:30-10:50 Dialysis dose
Rinaldo BELLOMO (Australia)
- 10:50-11:10 Anticoagulation management
Helena-Maria OUDEMANS-VAN STRAATEN (The Netherlands)
- 11:10-11:30 Sustained low-efficiency dialysis
Olivier JOANNES-BOYAU (France)

Prognosis and recovery

- 11:30-11:50 How the kidney recovers
Marie SCHETZ (Belgium)
- 11:50-12:10 Long term outcome
Rinaldo BELLOMO (Australia)

12:10-13:40 – Lunch/Symposium

Extracorporeal euration: beyond the kidney

- 13:40-14:00 Control of host response
Olivier JOANNES-BOYAU (France)
- 14:00-14:20 Control of pathogen
Didier PAYEN DE LA GARANDERIE (France)
- 14:20-14:40 Liver replacement therapy
Julia WENDON (United Kingdom)

14:40-15:00 – Break

- 15:00-15:20 CO₂ euration
Jean-Luc DIEHL (France)

Pro con: I have to use biomarkers in clinical practice

- 15:20-15:40 Yes: *Claudio RONCO (Italy)*
- 15:40-16:00 No: *Didier PAYEN DE LA GARANDERIE (France)*
